Your vote makes a difference.
The people we elect make decisions that affect everyone impacted by mental health conditions. Here’s why it matters.

You are not alone
1 in 5
U.S. adults experience mental illness each year

60% of U.S. counties do not have a single practicing psychiatrist

More than half of U.S. adults with mental illness did not receive treatment in 2018

Mental illness and substance use disorders are involved in 1 out of every 8 emergency department visits by a U.S. adult

$193.2B
Across the U.S. economy, serious mental illness causes $193.2 billion in lost earnings each year
