

Become a #Vote4MentalHealth All-Star

As a respected, nonpartisan organization, your NAMI can play an important role in elevating mental health policy in elections this fall, including engaging candidates and mobilizing voters who care about mental health. The Vote4MentalHealth All-Stars program wants to recognize you for the important work you are doing to make mental health a key issue in the 2020 elections.

Your NAMI can become a Vote4MentalHealth All-Star by completing at least four of the following activities between now and Election Day:

- **Add a link to or embed the Pledge to Vote4MentalHealth on your NAMI website**
 - (email elections@nami.org to learn how to embed the pledge on your website)
- **Share at least 5 [social media](#) posts promoting Vote4MentalHealth**
- **[Sign on](#) as a partner for National Voter Registration Day (9/22)**
- **Include information about voter registration in one newsletter or email**
- **Include information on Election Day/voting information in one newsletter or email**
- **Share one Vote4MentalHealth video during the fall National Day of Hope**
 - [You Are Not Alone](#) (0:59)
 - [Mental Health is on the Ballot](#) (1:54)
- **Send a questionnaire to all candidates for one position (e.g. your town's mayor)**
 - *NAMI Affiliates: please coordinate with your NAMI State Organization before surveying state-level candidates*
- **Invite all candidates running for one position to a NAMI event (your NAMIWalks event, your virtual conference, candidate forum, etc.)**

Please complete [this All-Stars feedback form](#) when your NAMI has completed at least four of these activities to let us know so that we can celebrate your efforts.

Vote4MentalHealth All-Stars will receive a certificate and will also be recognized by NAMI on the Vote4MentalHealth website and through other opportunities.

Contact NAMI's Advocacy & Public Policy team at elections@nami.org if you have questions about becoming a Vote4MentalHealth All-Star.
